

About

- Evris Foundation is a non-profit foundation, according to Act No. 33/1999 respecting foundation engaging in business operations

Purpose

- Is to improve quality of life of people in Iceland and other places by providing assistance to governments, institutions, associations, NGOs, business and individuals in initiating a variety of remedial projects.

Projects of importance

- In particular, the focus is on tasks of inter-European importance like:
 - Social welfare
 - Employment
 - Culture
 - Education
 - Environment
 - Regional development

Our core team

Has an academic background and *professional experience* in:

- Law
- Public Administration
- Project development and project management
- International and European integration
- Research

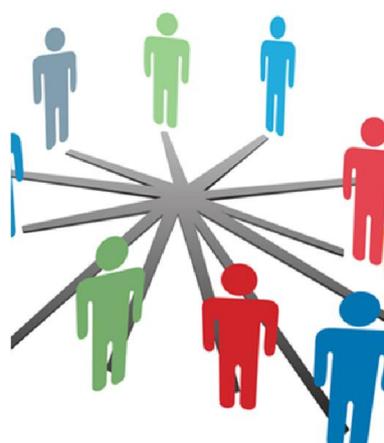

We enlarge our core team

Our network is large and we can get experts from

- public entities
- private entities
- associations
- NGOs

.. to enlarge our team

Thus we build a strong and tailormade team for every task.
