

Green Living

Kjersti Larsen

Green Living is a Norwegian organization that helps people, companies, municipalities and organizations with advice and solutions on how to be more environmental and animal friendly, and how to make ethical choices in everyday life.

Some of our projects:

- **Energy efficiency**
- **Compost**
- **Waste safari**
- **Food waste**
- **Environmental festivals**
- **Grundtvig project**

Energy efficiency

Compost

Wastesafari

grønn hverdag

Festivals

Festivals
