Local sustainable community development

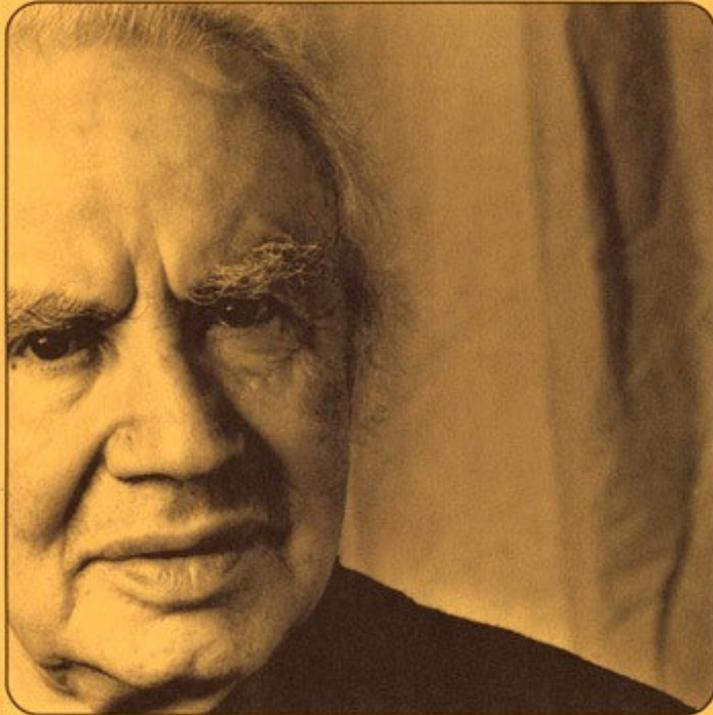

For 20 years given professional assistance to National programs such as:

- Local Agenda 21
- The Frontrunner Community program
- Livable Communities

Our contribution:

- Pedagogical presentations of sustainable community development
- Methods for dialogue and partnership
- Collecting and dissemination of best practices

*Es müssen Beispiele dafür bekannt werden,
dass Sehnsüchte und Wünsche,*

*Träume von einem Leben ohne Angst,
einer gerechten Gesellschaft,
einer humanen Zukunft*

in Experiment und Projekt Wirklichkeit werden können.
